Rating ★★★★★

Distance 74 km

Elevation 808m

Ride Time 3h 20min

Great from either direction, start this ride in Woodend. Enjoy the open farmland, tree lined country lanes and undulating leafy roads. This ride is relatively low gradeient apart from one climb at Shepherds Hill Road. A great opportunity to explore a large portion of the region in a single loop.

Places of interest on this ride

- A** Learn some history of the region, take a look at the historical markers in the village of Carlsruhe
- B** Take a short detour and check out the Trentham Falls. Said to be the longest single drop falls in the country
