Clock up some distance through thick bushland, remote dirt roads and great undulating 4WD tracks. At the 5km mark, turn off Ashbourne into Dafter Rd, cross over Campaspe River and look out for the single trail to take you from Fleming Road to Taylor Rd. Then, look out for the single trail connection between Anderson Mill Track and Firth Road cut over to Firth Park. On the return leg, Fingerpost Road, and Slaty Creek Road are spectacular dirt roads.
