

Woodend, Mount Macedon by Dirt

Photo: Bawden Rd, 7km mark

Rating ★★★

Distance 24.2 km

Elevation 759m

Ride Time 1h 30min

There's plenty of ways up and down Mount Macedon on a mountain bike. If you feel like a detour, look out for the network of single trails off Bawden Rd. Arriving at Mount Macedon Road, take a right turn down Anzac Rd and at the Reservoir, cut across to the Zig Zag Track, over Barringo Rd, then single trail to Lions Head Rd. Once on Cameron Drive, look out for Chapmans Rd to the right and single trail over to Turner Avenue before your descent back down to complete the loop.

Places of interest on this ride

- A** Take a detour on some of the Macedon Regional Parks single trail which caters nicely for experienced riders
- B** Twist and turn your way up Zig Zag Track
